OILS

Finishes: matt, natural, satin, stained or aged
all your decorating solutions

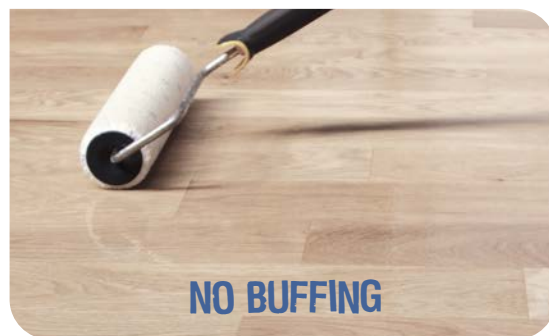

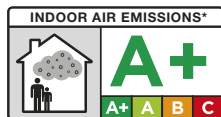

Original Wood™ Environment

> OILED WOOD FLOOR - FINISHED IN **4Hrs**

Impregnates and provides long-term protection for wood floors, flooring, stairs and woodwork. Enhances the natural look of all types of wood, including exotic woods.

- Quick-drying on all types of wood
- Hardens very quickly
- Does not change the colour of the wood
- Odourless
- Easy application does not leave traces of the roller, **no buffing**
- Can also be used on furniture and worktops (with a spray gun)
- Matt finish

■ Available in 1L and 5L

*Only on light species

Original Wood™ Environment Maintenance Oil

The best solution for maintaining Original Wood™ Environment

► SEE MAINTENANCE RANGE PAGE

Prim'Oil

> ESSENTIAL FOR EXOTIC WOODS

One-coat penetrating primer for the preparation of "difficult" woods. Recommended before applying traditional oils.

- Does not "block" the pores of the wood
- Fast-drying
- Enhances the tone of the wood
- Optimises the performance of the next oil application
- Must be applied when using *Parquet Joint Pont de Bateau* before applying traditional oils
- Colourless

■ Available in 1L and 2.5L

Hard Waxoil URETHANE RESIN*

> STAINS AND PROTECTS: RECOMMENDED FOR DECORATION AND AGED FINISHES

Protection and natural finish for wood floors, flooring and worktops, contains vegetable oils and wax.

- Easy application, quick-drying
- Enhances the tone of the wood
- Highlights the grain pattern
- Beautiful silky-smooth finish
- For application also on furniture
- Mixable colours for colour matching

Available in 0.25L, 1L, and 2.5L

Solid'Oil™

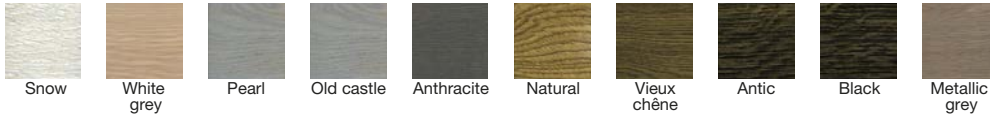

> PROTECTION AND STAIN FOR WOOD FLOORS AND FLOORING: HIGH SOLID ONE-COAT HARD WAXOIL

Impregnates, stains and protects wood floors and woods in a one single application.

- High resistance: designed especially for heavy use
- Very nourishing
- Impregnates, stains and protects all wood surfaces immediately after applying the first layer
- A genuine oil of vegetable origin
- Brings a beautiful and natural warmth to wood and a traditional matt finish to oiled wood floors
- An infinite number of decorative effects obtained by simple mixing

Available in 0.25L, 1L and 2.5L

Wood Floor Oil URETHANE RESIN*

> MATT FINISHING

Penetrating oil to maintain and preserve the natural look of wood floors.

- Very easy to use
- Recommended for all types of wood
- Enhances the tone of the wood
- Easy to maintain and reapply

Available in 1L and 5L

+ Decoration

Wood-Ageing Agent

Water-based odourless stain.

- Highlights grain contrasts
- May be recoated with all traditional Blanchon oils (and Original Wood™ Environment after a primer: Prim'Oil)

All shades of finish can be combined.

+ Efficiency

Oil Hardener

For optimum hardening and sustainability of Blanchon Oils.

- Faster return to service, faster drying
- Improved performance

10% dose for Wood Floor Oil and Hard Waxoil.

20% dose for Solid'Oil™.

MAINTENANCE

A complete range to satisfy every need

Cleaners

Lagoon™

> **READY-TO-USE UNIVERSAL CLEANER**

Ideal to clean and preserve the original finish of lacquered or oiled wood floors also suitable on laminate floors.

- Preserves the original look of the floor without leaving streaks
- No rinsing
- Non-slip

■ Available in 0.5L spray bottle, 2.5L refill and Kit (0.5L sprayer / 3-part mop with microfibre plate / floor cloth)

Natural Soap

> **FOR OILED WOOD FLOORS - CONCENTRATED FOR DILUTION**

Vegetable-based cleaner with a pleasant odour for routine maintenance of all oiled wood floors.

- Preserves, protects and strengthens the natural look of oiled wood
- No rinsing
- Quick drying
- 2 shades: colourless and white

■ Available in 1L and 5L

NEW Powerful Cleaner

> **INTENSIVE CLEANER AND DEGREASER CONCENTRATE FOR DILUTING**

Perfect for thorough cleaning of all wood floors oiled by the manufacturer or end-user (for standard oils as well as water-based oils).

- Thoroughly cleans stubborn stains
- Removes old and highly overlapping coatings
- Prepares the surfaces for applying a new oil layer

■ Available in 1L

Maintenance

Original Wood™ Environment Maintenance Oil

> **PRESERVES, MAINTAINS AND BRIGHTENS UP**

Complement to **Original Wood™ Environment**.

- Dries in 30 mins, odourless
- Ready to use
- No buffing, natural finish
- 2 shades: colourless matt and ultra matt

■ Available in 1L and 5L

Maintenance oil

URETHANE RESIN*

> **FOR ALL TRADITIONAL OILS**

Ideal for the maintenance of **Oil for Wood Floors, Hard Waxoil, Solid'Oil™** and pre-oiled wood floors.

- Strong regenerating power
- Natural matt finish
- Quick drying
- 3 colours: Natural, white, wood tone

■ Available in 0.5L (sprayer) for full revival, 1L and 2.5L for localised revival

NEW UNIVERSAL maintenance oil

> **FOR ALL OILED WOOD FLOORS READY TO USE**

Excellent adhesion to all oiled finishing coatings, standard and water-based, as well as all wood floors oiled by the manufacturer or end-user.

- Strong regenerating properties
- Nourishes the finishing coating
- Does not leave a slippery coating: non-slip properties certified by the NF EN13036-4 standard
- Does not leave smudges

■ Available containers: 1L and sprayer containing 0.5L

* **URETHANE RESIN** = for optimum performance. Urethane resins improve **chemical resistance**, reduce the **drying time** and the **frequency of maintenance**.

WHEN and WHY use an OIL?

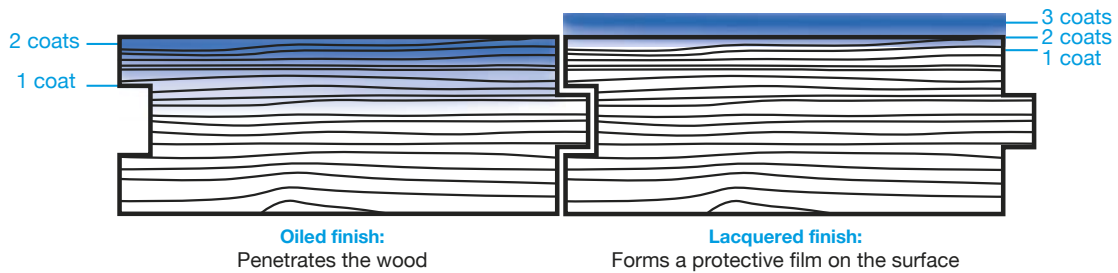

A different penetration of the wood

Oiled finish

- The oil penetrates and **impregnates** the wood
- **Revives** the colour of the wood
- Easy renovation and maintenance
- Can be used for **renovation**
- **Stains and protects** in one application

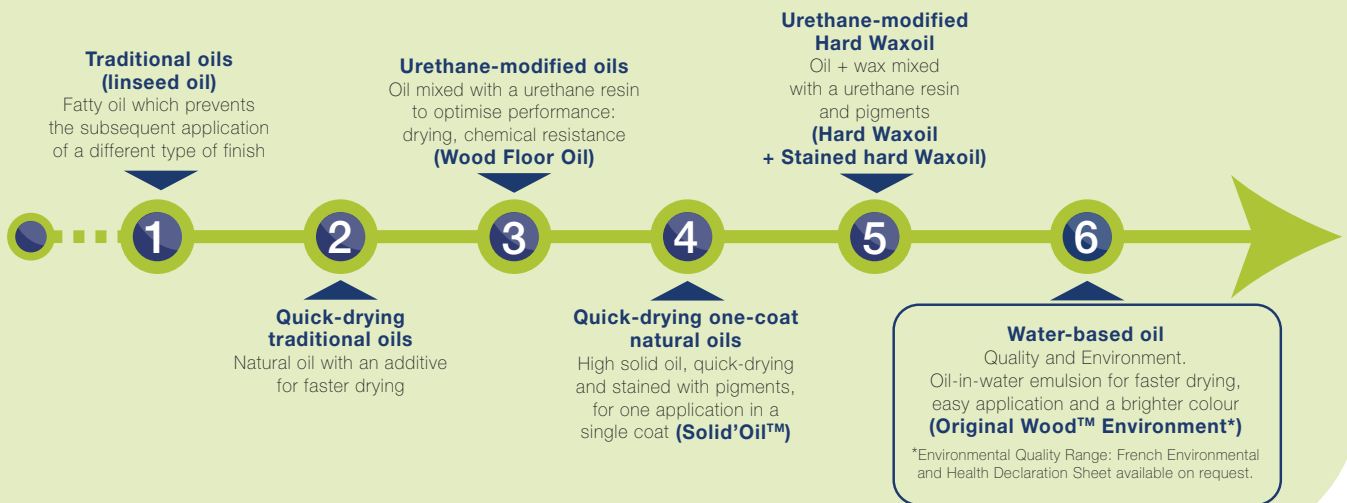

Lacquered finish

- Protects the **surface** of the wood
- Very good chemical and mechanical **resistance**
- **Low maintenance** (cleaning only)
- Many different finishes: satin, matt, gloss...

Chronological development of the oils

Blanchon innovates to satisfy every need

Choice of formula

- More **environmentally-friendly** formula
- Preserves the most **natural** (matt) look of the wood
- Easy to apply and **quick drying**

- **Enhances** the tone of the wood
- Gives a **matt satin** look
- An infinite number of **decorative** effects: wide range of colours

Blanchon Industry expertise

For 25 years, the **Blanchon Industry R&D laboratory** has used the latest testing, analysis and measurement technologies. Mechanical and chemical performance tests as well as VOC emission measurements are performed daily. Blanchon oils intended for **trade professionals** offer the same technological, decorative and environmental qualities as the Blanchon oils supplied to **manufacturers**.

Blanchon
Quality is in our nature

BLANCHON OILS,

a benchmark for quality

▲ La Piscine, André Diligent Art and Industry Museum, Roubaix
 ─ Wood Floor Oil - Colourless

▲ Bartholdi Museum, Colmar
 ─ Original Wood™ Environment Maintenance Oil – Natural wood

▲ MuCEM (Museum of the civilisations of Europe and the Mediterranean), Marseille
 ─ Solid'Oil™ - Natural

For Blanchon, technical innovation means products that are always more effective and more respectful for people and the environment.

The Blanchon oils range:

- quality products that are easy to apply,
- easy to use (quick dry, low odour),
- healthy formulae (no CMR substances*, no harmful substances)

*Substances that are Carcinogenic, Mutagenic, Reprotoxic 1A or 1B
