

WALLPAPER STRIPPER

Colour	Product Code	Pack Size	Box Qty
-	WALLSTP	500ml	12

Product Description

EVERBUILD Wall Paper Stripper is a highly concentrated solution of surfactants designed to help strip wallpaper quickly and easily.

Benefits

- 500ml makes up to 4 gallons of solution.
- Works on most types of wallpapers.

Limitations

- Use only as directed
- Store in original containers.
- Dispose of product and packaging correctly.

Application

Pour approx. ¼ of a bottle into 1 gallon (4.5 litres) of hot water. Stir well and work into wallpaper with a sponge. Scoring the wallpaper beforehand will help penetration. This is essential with washable wallpaper. Leaves for 5-15 minutes to take effect then remove paper with a scraper or steamer. If there are several layers of paper process may need to be repeated. Protect carpets and furniture and mop up any spills of liquid immediately.

Health & Safety

Consult MSDS for full list of hazards.

Storage

Store in cool dry conditions away from direct sunlight between 5 and 20°C.

Shelf Life

12 months from date of manufacture.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired. Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product. Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions.
